

Clean24Seven

Who We Are

Clean24Seven provides high quality Cleaning and Facilities Management services for businesses of all sizes. With servicing over 3 million sq ft projects nationwide, 24/7 has become one of the most prominent maintenance service firms in the United States. Our mission is to offer a complete range of services and customized solutions for your business needs. 24/7 strives at excellence by using only the top-of-the-line equipment and a professionally trained staff. We offer a flexible range of prices and can accommodate to most business budgets and schedules.

Additional Cleaning Services Provided Outside of Janitorial SOW

- ✓ Specialized quarterly services
- ✓ Quarterly Specialized Carpet and floor care
- ✓ Quarterly Power washing of exterior common areas
- ✓ Annual complete cleaning
- ✓ 1 annual exterior window cleaning
- ✓ 4 annual exterior ground level window cleans
- ✓ Pressure washing services
- ✓ Exterior window cleaning

Periodic Facility Services

24/7's Periodic Facility Services offers you access to our experienced, specialized engineers at any time when you have an individual job or require specialized services. 24/7's mobile service engineer is available and will tailor each individual job to your facilities specific needs by working closely with your team to provide the quality and service you demand.

Integrated Facility Services

24/7's Integrated Facilities Services enable you to customize facility maintenance services and integrate the scheduling with your janitorial service. 24/7's janitorial manager will coordinate with 24/7's Facility Division and staff to make certain all routine maintenance is being performed as scheduled.
